

Tip Sheet: Coastal Health Instructions – Superbills – ICANotes – Charge Entry

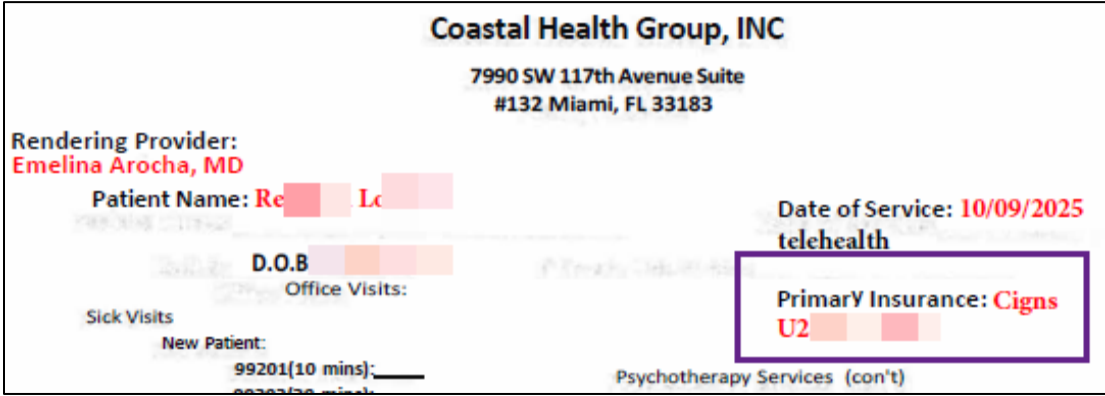

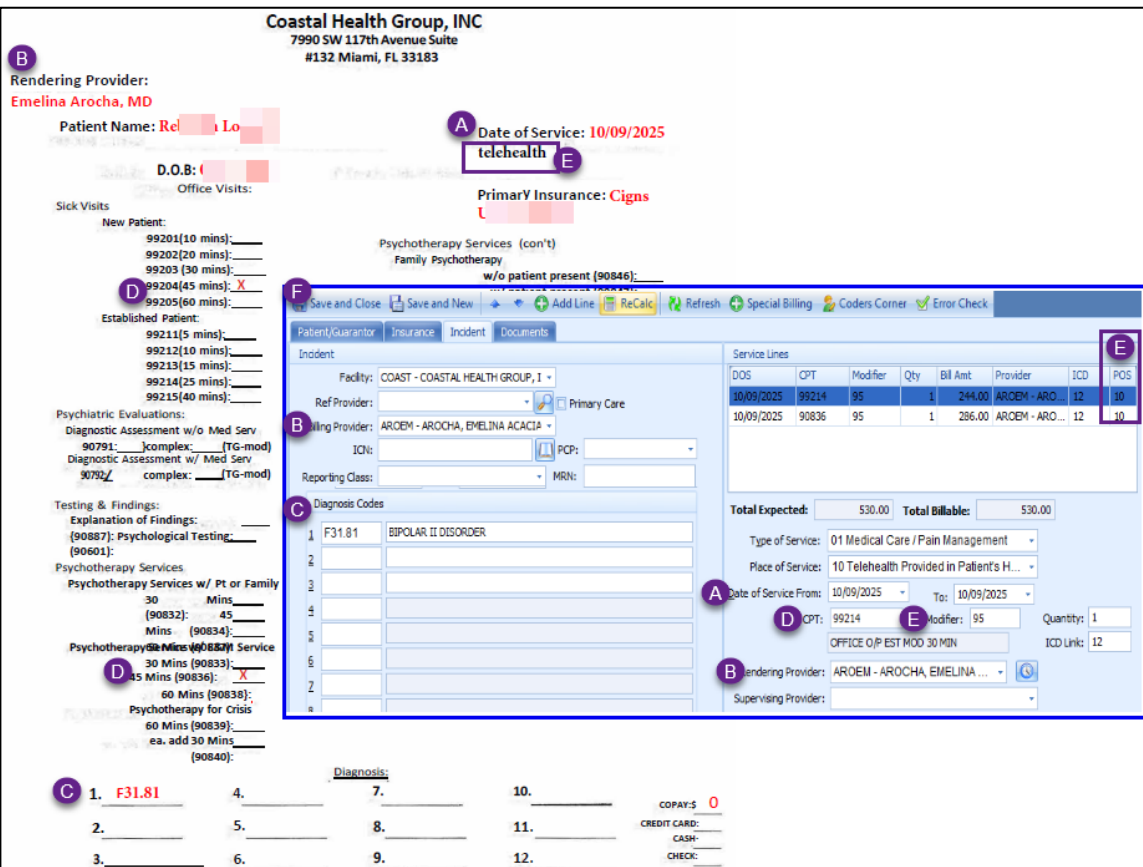

This tip sheet is intended to assist team members with processing Superbills stored in Box for Charge Entry from the ICANotes portal, specifically for Coastal Health Group.

Steps	Action
<p>1</p> <p>Box Superbills</p> <p>Open Box to Coastal Health Group > Charges. Look for PDF files named BOX with dates.</p> <p>Note:</p> <p>Files may have provider name as well after BOX. Both instances are listed in picture.</p>	
<p>2</p> <p>Superbill PDF</p> <p>Open Superbill PDF file to begin reviewing patients listed.</p> <p>These are patients that have charges to be loaded in PHI.</p>	

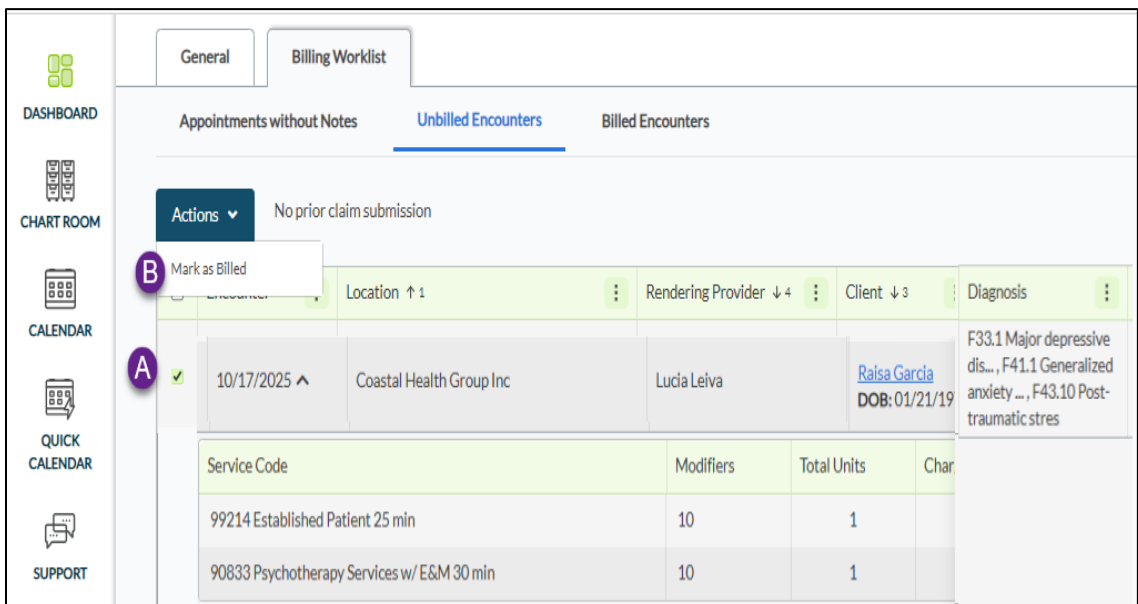

Tip Sheet: Coastal Health Instructions – Superbills – ICANotes – Charge Entry

Steps	Action
<p>3</p> <p>Logging into ICANotes</p> <p>Please log in using your email or distribution email and password provided to you.</p> <p>Note: If on a distribution email, please contact owner for any log in issues.</p>	
<p>4</p> <p>Billing Worklist</p> <p>The default is the dashboard. Please follow actions below:</p> <p>A. Select Billing Worklist</p> <p>B. Select Unbilled Encounters</p>	
<p>5</p> <p>Signed Charts</p> <p>Search for the Patient's name under Client using a partial Last and First name, then Filter.</p> <p>Charts marked as Signed are charges to be keyed and processed in PHI.</p> <p>Note: If Note status is not marked as signed, please create a Task.</p>	

Tip Sheet: Coastal Health Instructions – Superbills – ICANotes – Charge Entry

Steps	Action
<p>6</p> <p>Insurance on Superbill</p> <p>Please enter the insurance company and ID number from the Superbill into PHI.</p>	
<p>7</p> <p>Incident in PHI</p> <p>Please update the Incident Tab in PHI with the related letter from the Superbill:</p> <p>A. DOS</p> <p>B. Billing & Rendering Provider</p> <p>C. ICD-10 (diagnosis codes)</p> <p>D. CPT code</p> <p>E. Modifier - Any procedure being keyed must have the 95-modifier appended to it when the POS is 10 *if one is not listed, use 11*. The Superbill will state Telehealth after DOS.</p> <p>F. Save and Close.</p>	

Tip Sheet: Coastal Health Instructions – Superbills – ICANotes – Charge Entry

Steps	Action
<p>8</p> <p>Closing Charge in ICANotes</p> <p>After all charges on the patient have been keyed in PHI for Providers, return to ICANotes to complete charge.</p> <p>Please follow actions below:</p> <p>A. Check mark the charge.</p> <p>B. In Actions, use drop-down and select Mark as Billed. Now the charge in ICANotes is complete.</p>	
<p>9</p> <p>Superbill in Box</p> <p>Move on to next patient in Superbill PDF. Once all patients and charges are loaded in PHI, move Superbill PDF from Uploads to Completed folder in Box.</p>
